"The very first thing that you must do is write down your goals. These goals need to be short term, midterm and long term ones. Short term goals are those that you wish to achieve within the next 6 months to 1 year. Mid terms are those that you hope to attain within the next 2 to 3 years and long term goals can be 5 to 10 year plans. Depending on how your priorities are placed, you can decide on your goals and have them written down for your convenience. These goals should relate to your business. As soon as you achieve your goals, you must tick them off."
