**Vampire (Alpha Claim 1): New Adult Paranormal Romance** Tamara Rose Blodgett, Marata Eros

**Two NYT bestselling author styles come together for Dark Paranormal Romance + Urban Fantasy = a yummy Brief Bites novelette.**

Narah Adrienne is a bounty enforcer in the near future. She runs the seedy side of her game, capturing criminals too dangerous for the local law enforcement. Using unorthodox methods, she finds herself in the crosshairs of the Magistrate for too many allowable kills for the quarter.

And her head hurts like hell.

Aeslin is part of an elite vampire squad of Turners. A rare sect of vampire scouts who possess the ability to find women with enough undead blood to be turned into full vampire. As the numbers of supernaturals dwindle, it is the hope of the Nobles that extinction can be a thing of the past with female hybrids.

In a race against time and common enemies, can Aeslin find the one female who is meant to be turned and also his parallel soul? Or will the fabled carrot the Nobles dangle turn out to be a lie perpetuated by desperation?

***Vampire* is 44 pages/10,000 words, and is the first volume of episodic novelettes in the ALPHA CLAIM serial.**
