An honorable citizen, a disturbed criminal, and a lifelong addiction to violence, control, and sexual abuse, were on the agenda. ARMED SURVIVOR is the true account of two lives on a horrific collision course. The story is filled with twists and turns, intrigue and suspense. Violence against women has reached epic proportions in the United States. In this case, a 30-year veteran school counselor and single woman appeared to take all the right precautions to live alone "safely." Smart, aware, and responsible, this independent lady possesses the survivor's instinct, but did she have what it would take to battle this demon? Unbeknownst to her, this stalker would watch from a distance. He tracked her every move, day and night, weekdays and weekends for several months. Lurking in the dark, this predator, a Cuban national, planned his attack. Had he done this before? Was he seeking asylum in the United States to avoid jail time in Cuba for pending rape and murder charges? It will become apparent that this convicted felon and pathological liar did not fear extradition, our legal system, the U.S. Immigration and Customs Enforcement agency, or the Department of Homeland Security. Had he found refuge and protection in "sanctuary cities?" Follow these two lives to understand how this freak encounter between two strangers occurred; then, learn how to protect yourself from such attacks.
