So You Wanna Be A Doctor: The Untold Stories of Medical, Dental, and Veterinary Residents Dr. Shermian P Daniel M.D.

So You Wanna Be A Doctor In fourth grade most kids say they want to be a doctor or lawyer when they grow up. After graduating high school or college these same kids usually settle working for whoever's hiring. So You Wanna Be A Doctor is made up of true accounts from those who didn't give up on the hope of one day becoming a doctor. This book is a valuable and easy to read how-to guide for students and medical residents searching for success in school and their careers to follow! Why Medicine? We're all involved one way or another in the healthcare system. So You Wanna Be A Doctor intimately reveals riveting behind the scenes stories of young health professionals revealing an in depth inside look into hectic adrenaline filled lives. You'll learn everything these residents and physicians learned in medical school, besides all the book stuff. See what it's like being on-call. Discover the truth about a doctor's days and nights in residency. Hear confessions from surgeons and what they're looking for in potential resident candidates. This complete guide to medical school is written by actual doctors and former medical residents sharing personal details of their journey on a path to success. This is your inside scoop into the field of healthcare and residency like never before! Experience with your doctor tour guides the ups and downs of high pressure residency rotations including : •Anesthesiology •Dentistry •Physical Rehabilitation •Dermatology •Emergency Medicine •Veterinary Medicine •Pathology •Pediatrics •Gynecology •Surgery •and so much more Learn about the journey that takes place before reaching the status of resident. On the road to becoming a doctor and going from student to specialist, find out what schools the doctor authors attended, how they conquered complex applications, and how you can too. Everything you need to know about becoming a physician including interview strategies and standardized testing success is covered within these pages. After getting through the intern residency phase also known as the doctors initiation, see what life is like after paying your dues and earning an MD, DVM, or DDS degree! Get an advantage above the tight competition by witnessing first-hand what really happens behind the pristine hospital curtains! After reading this book comprised of highly sought after knowledge, wisdom, and information you will truly know what it really takes to become a successful healthcare professional! You no longer have to just imagine yourself going from student to specialist. Walk with these doctors, put your feet in their shoes, and get on the path to achieving medical greatness! Order So You Wanna Be A Doctor for yourself or the students in your life who you feel have the potential to be great and just need a leg up over the competition. Keep in mind - this book is intended to give information on what steps are necessary to become a health care professional. Don't be surprised if in the near future they're asking you to refer to them as Dr. This book of life lessons and easy to understand academic text allows students to prepare for the unknown road ahead of them in school and beyond. WAGNER WOLF PUBLISHING and WOLF PUBLICATIONS is proud to offer you this #1 guide for the future doctors, dentists, and veterinarians. What you do with the knowledge is completely up to you now.
