Tao Of The Gigolo Vin Armani

Vin Armani - the most notorious sexual iconoclast of our generation - presents his personal philosophy in TAO of the GIGOLO. With a focus on sex and relationships, the author illustrates the path he developed that led him to become a straight male escort and carried him to the highest echelons of that profession. This book is written as a primer for those readers seeking guidance towards refining their skills in the romantic arts.

Though designed to be a starting point for the novice in the Art Of Seduction, Tao Of The Gigolo stands as a pivotal work due to Armani's unique perspective on the metaphysics of love and sexual attraction - a perspective that is simultaneously refreshing, provocative, and controversial.
