## **The Soldier's Words** Kenn Woods

Since I began Civil War re-enacting in 1988, there have been two schools of thought regarding the uniform of the Confederate soldiers. One is that the Rebels were never ragged, that was just a romantic myth started after the war. The other school of thought is that the Rebels were always ragged and wore whatever they could get their hands on. I decided that the best way to discover the truth is by investigating, what the soldiers themselves said regarding their clothing through letters, diaries and memoirs. This book uses the soldiers own words regarding Confederate uniforms and includes many surprising anecdotes and some "firsts" regarding incidents of the Civil War.
