## **Women Civil Rights Leaders (Lucent Library of Black History)** Anne Wallace Sharp

These books examine a significant event or time period in African American history; every effort is made to place the topic in context, so readers will understand the connection between black history and the broad sweep of America's story.; African American women have always placed great importance on helping others within their community. They have long formed the backbones of their families, church congregations, and communities. Black women have also played significant roles in the fight; Each chapter contains sidebars that highlight relevant personalities and events. Numerous photos and illustrations help illuminate and support the text. Complete documentation of all quotes and annotated bibliographies enhance the value of these books as
